Brenntag North America Welcomes Employees to Diesel Exhaust Fluid Team

Brenntag North America, Inc., the world's largest distributor of Diesel Exhaust Fluid (DEF), welcomes Bill Buzbee and Chris Williams to their DEF management team.

Buzbee holds over 40 years of extensive experience working with travel centers and truck stops and will join the Brenntag team as DEF Industry Sales Manager. With his most recent role as National Account Sales Manager for Terra Environmental Technologies, Inc., Buzbee is exceptionally qualified to support Brenntag's continued growth in the DEF Travel Center Network.

Williams brings with him over 20 years of industry experience and will take on the role of DEF Business Development Manager – OEM's/National Accounts. His most recent position as OEM/National Account Business Development Manager for Terra Environmental Technologies, Inc., makes him a valuable asset to support and expand Brenntag's OEM and National Accounts relationships.

"We are extremely pleased to add Bill Buzbee and Chris Williams to our DEF Sales Team," said Bret Happel, DEF Business Director. Both bring a tremendous amount of knowledge, relationships and professionalism to this sector of our business and will be added resources making our team successful in surpassing our DEF goals and customer expectations."

Brenntag operates more than 140 locations and 30 DEF rail terminals throughout North America supplying the DEF customer base with jugs, drums, totes, mini-bulk and full truck loads of DEF.

About Brenntag:

Brenntag is the global market leader in full-line chemical distribution.
